PAYMENT OF SERVICE FEES Billed time begins when the child is signed into the center. Billing is calculated by a full hour with a 15 minute overlap allowance. Parents are billed if guaranteed reservations are requested. **Financial Assistance is available. Please contact the On-Site-Director for information on State/Federal funded programs.**

A week of service begins on Monday and ends on Friday. **PAYMENTS ARE DUE BY FRIDAY OF THE WEEK THE CURRENT BILLS ARE PRINTED UNLESS ARRANGEMENTS ARE MADE IN WRITING WITH THE ON-SITE DIRECTOR OR THE EXECUTIVE DIRECTOR. BILLS ARE PRINTED ON MONDAYS.**

ALL CHARGES MUST BE PAID IN FULL EACH WEEK. If your bill becomes two weeks past due a \$10.00 charge will be added to your bill. Child care services may be discontinued if your bill becomes past due. After 30 days from your previous zero balance a \$20.00 late fee will be incurred monthly until the entire balance is paid in full. If a contract is agreed upon for a specific day and/or hours of service, the parents will be billed even if the child is absent.

MINIMUM CHARGES FOR INFANTS

Infants 24 months and under will be charged a 30 hour per week minimum. Parents are allowed to take TWO full weeks of vacation without being charged as long as the center is notified 24 hours ahead of time. Infants who attend the center at any time will be charged the minimum for that week. Absence due to illness does not make you exempt from the minimum. Drop-in care is available if ratios allow. Minimums are not charged weeks when the center is closed.

SIGN UP AND WITHDRAWAL FROM THE CENTER

Parents should visit the center before enrolling their child. During the visit, the parent will have a personal interview with one of the Charlie Brown staff to review the Parents Handbook including center policies. Children are welcome to come with parents to visit his/her classroom and meet the staff. If you no longer need child care at the center, a 2 week written notice of your last day is requested.

ARRIVING AND LEAVING THE CENTER

Parents are required to sign in each child when arriving at the center and sign out the child when leaving the center. The parent must leave an emergency phone number on the emergency contact form. The parent must leave the child with a staff person in a classroom and notify a staff person when leaving the center. Your communication with the staff when arriving and leaving the center will ensure the safety of your child. A courtesy call if your child is absent is appreciated.

**For School age children on non-school days: if the group is away from the center for an activity, parents must make prior arrangements with the center for pick-up away from the center. It may be determined that the child has to miss the activity and stay at the center. This is for the child's safety.*

AUTHORIZED INDIVIDUALS TO PICK UP YOUR CHILD

On the emergency contact form, individuals listed under the "authorized to pick up" section are allowed to pick up when the center is notified by the parent or if needed to be contacted in an emergency. You may authorize as many individuals as you wish in writing on this form. We will not under any circumstances allow your child to leave with an unauthorized person. Please remember to correct this form if your phone number, address, or place of employment changes. Emergency contact forms are required to be updated annually. Photo identification is required of anyone picking up a child other than a parent known to the staff. According to Iowa law any authorized person who is a sex offender must have written permission from the Executive Director to be on Charlie Brown property. Although discouraged, if you would choose to allow a Charlie Brown employee to take your child from the center, this must be done after the employees shift and Charlie Brown is released from all liability.

DAYS AND HOURS OF OPERATION

All centers are open on a year round basis; Monday through Friday: 5:30am to 6:00pm. The center is closed on the six major holidays. Other closed days are determined if enrollment is low (i.e. Christmas Eve, Black Friday). If open on Christmas Eve, the centers will close at 3:00 pm. Centers will close at 5:00 pm on New Year's Eve.

RESERVATION DAYS

There may be days where we require a reservation so that staffing can be planned accordingly (i.e. Black Friday, Christmas Eve, etc.) Families who need care for these days will be required to reserve their spot. **THERE WILL BE NO EXCEPTIONS** as we must plan staff accordingly to meet State Licensing ratios. No shows will be charged for the time reserved. *If you are more than one hour past your reservation time, you will lose your spot AND be considered a no show.*

ABSENCES AND VACATIONS

Please notify the center if your child will be absent due to vacation or illness.

LATE PICK-UPS: THERE WILL BE A \$15.00 FEE FOR EACH 15 MINUTES PAST CLOSING. THIS FEE CAN BE PAID WHEN YOU PICK UP OR IT WILL BE ADDED TO YOUR BILL.

CLOTHING

An extra set of clothing with your child's name on it is required. Please dress your child appropriately for the weather. It is important for your child to go outside everyday to get exercise and fresh air. Your child will go outside everyday unless the temperature with wind chill is below 17 degrees. Please send your child in shoes that are comfortable and easy for playing and running. **SANDALS/FLIP FLOPS ARE DISCOURAGED!** We will try our best to help children keep track of personal clothing, but we cannot be responsible for items not marked, lost or stolen.

CLASSROOM DESCRIPTION

Each classroom is designed with your child's best interest in mind. Charlie Brown staff members are required to attend monthly training so that the daily activities will meet the standards and policies set by the Charlie Brown Board of Directors. Creative Curriculum is based on age appropriate activities promoting self-esteem and positive self-image; social interaction; self-expression and communication skill; creative expression; and problem solving skills. There will be a balance of active and quiet activities, individual and group activities, indoor and outdoor activities, staff-initiated and child-initiated activities: activities which promote both gross and fine motor development and experiences in harmony with the ethnic and cultural background of the children. A copy of the Child Guidance Policy is in the parent handbook.

PARENT AND VISITOR OBSERVATIONS

Parents are encouraged to visit and observe their children during the day at the center. An open door policy is maintained to promote communication between parents and staff. Parents shall be afforded unlimited access to their children and to the provider caring for their children during the normal hours of operation or whenever their children are in the care of the provider, unless parental contact is prohibited by court order. According to State licensing, parents may only visit their own children's room in the center using an appropriate passage way. Parents will be denied access to other child occupied areas. The State of Iowa does not allow unrestricted access to other children in the center unless a criminal record check is completed.

FIRE AND NATURAL DISASTER

Charlie Brown has specific procedures pertaining to all emergencies such as fire and natural disasters. An annual Fire inspection is performed at the center. Fire and tornado drills are conducted monthly. During severe weather, emergency information will be updated with progression of weather. In instances of evacuation, including citywide evacuation due to hazardous threat or disaster, the Civil Defense Department will direct procedures. Parents will be notified of disasters as soon as possible.

PROPERTY AND DAMAGES

The center is not responsible for lost, stolen, or damaged property. Toys and electronics will not be allowed from home unless a special day is specified, these days are optional and "bring at your own risk." Every effort is made to keep possessions safe, but lost/broken personal toys at the center may happen. Please mark your child's name on all personal items that are brought to the center.

CHILD AND ADULT CARE FOOD PROGRAM (CACFP)/NUTRITION

The center will provide nutritious meals and snacks at no extra charge. The center participates in the Child and Adult Care Food Program sponsored by the Iowa Department of Education, Bureau of Food and Nutrition. This program provides guidelines to ensure your child eat nutritious meals and snacks and have opportunities for physical activity while attending our centers. To ensure CACFP guidelines are met, no food from home will be served unless your doctor prescribes a special diet and arrangements are made with the CACFP Director. Please make arrangements with the staff for special occasion treats.

An enrollment form and income eligibility form is required by the CACFP and updated annually for every child attending Charlie Brown Centers. Charlie Brown will make the determination of a child's ethnic and racial status if parents do not record this information on the CACFP forms.

Charlie Brown will provide soy milk to for those who have submitted a written request (signed and dated). A note from a medical doctor is required for any food allergies that would require the menu to be modified. A Diet Modification form will need to be completed by a medical doctor if the modification does not meet USDA guidelines (i.e. Rice milk, Almond milk).

MEDICAL EMERGENCIES

In the case of an emergency, parents will be contacted. If the parent cannot be reached, the person on the emergency pick up list will be contacted. In case of an accident, be it minor or major, there will be an Accident Report left for the parent at the front desk. Please sign it and return it to the person at the desk. In case of a head injury, parents will be notified immediately. It will be the parent's decision whether or not to pick up the child to seek medical attention.

TERMINATION OF SERVICES

Charlie Brown reserves the right to refuse/terminate child care for the following reasons:

1. Failure to make payment for services.
2. If your child is not ready for a group experience, or if his/her needs are not best met in a group setting. A confidential conference between the parents and staff will be held to discuss other options for care. If a child does not benefit from the programs offered by the center, staff may discuss alternate services with the parents.
3. Misbehavior of a child which jeopardizes the outcome of quality care. A copy of the Discontinuing of Services, "Strike Policy" is included in your Parent Handbook.
4. Slandering Charlie Brown publicly and through social media sites such as Facebook.

MEDICATION

Parents must fill out a medication form for their child listing the medication name, the dose to be given, the time to be given, and when it was last given. **Medication must be in the original bottle with the pharmacy prescription label. The parent is the primary caregiver; 1-2 dose/day medications will be given at home, by the parent.** Staff giving the medication will initial the form at the time the medication is given to the child.
